

# LABSHEET 01 - Programming

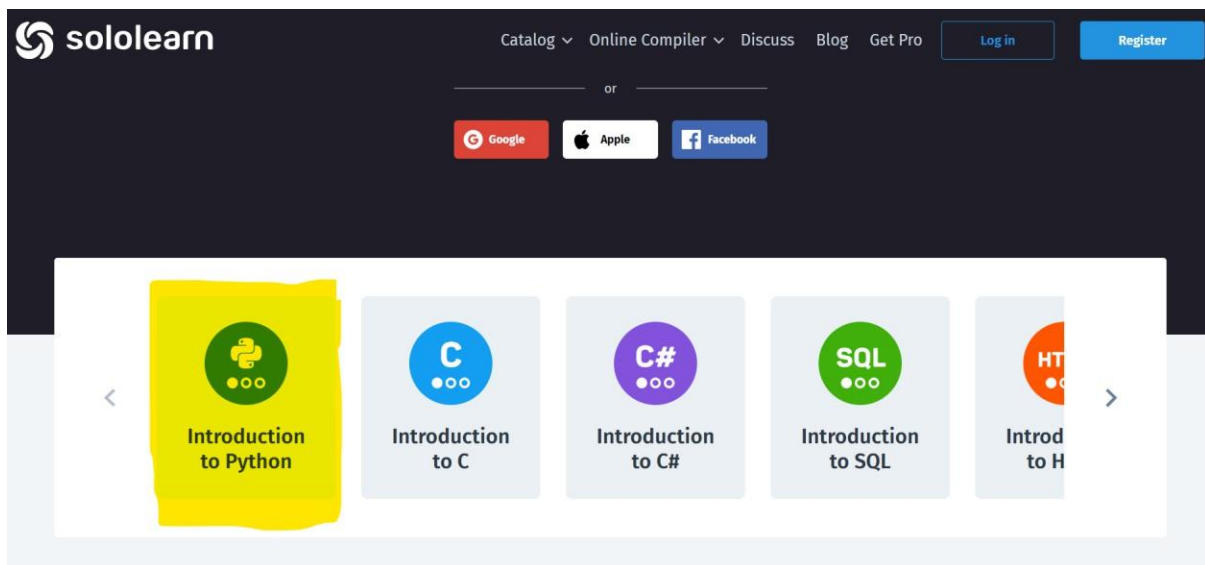

**Date:** 12.06.2024

**Submission Date:** on or before Thursday, 13.06.2024

**Tasks:** As your Labsheet 1 test you should start doing a “Sololearn” course and submit the progress screenshot.

## Instructions

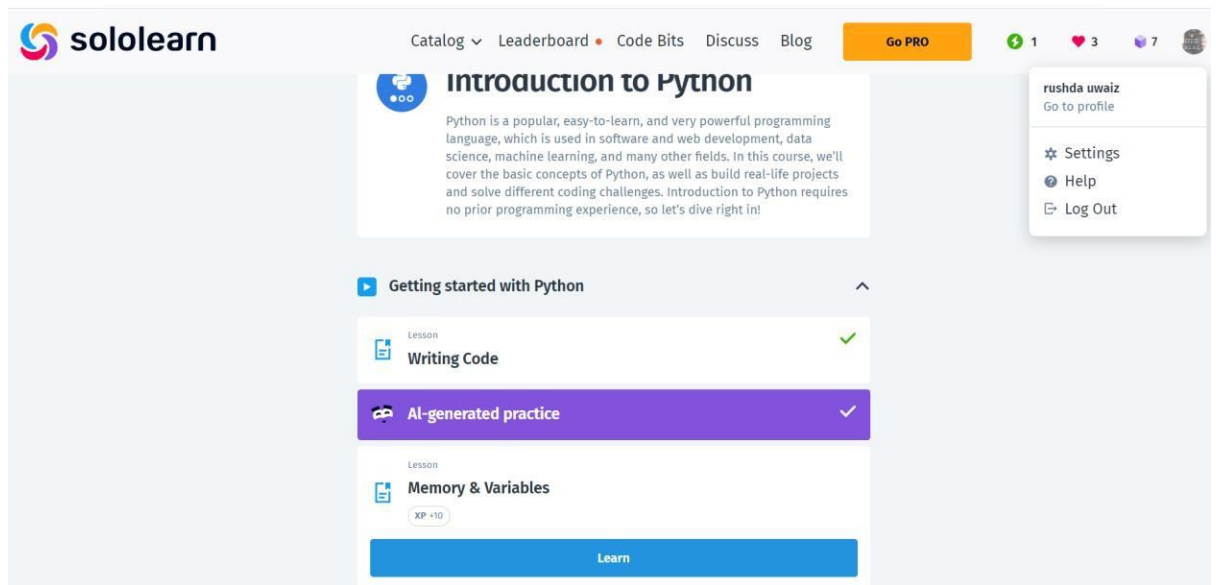

- Go to <https://www.sololearn.com> and register yourself only if you are new to the platform. If you are already registered no need to register again.
- Click on Courses and select Introduction to Python  
(<https://www.sololearn.com/learn/courses/python-introduction>) course.

- For the LABSHEET 1 you must complete the below sections and submit a screenshot of your progress bar.
  1. Writing Code
  2. Memory & Variable
  3. Text Data
  4. Numerical Data
  5. Game Messages
  6. Working with Variables
  7. Shopping Prices
  8. The Semester Grades
  9. Module 1 Quiz

(Please note that for LABSHEET 1 it is only necessary to complete these 9 sections)

- Finally, once you finish the 9 sections, a clear screenshot of the completed sections should be submitted on or before the LABSHEET 1 submission deadline.
- (Sample screenshot – your screenshot should include below marked parts)

- The screenshot should be submitted to the “LABSHEET 1 submission” in the Following Link.
  - [LABSHEET - 1 Submission](#)
- (Only upload an image file)
